Hi Chloe – I'm working on it now and should be finished before 8:30. I didn't know that >1 person couldn't work on it at once.

Do you want me to stop working on it for a while? The only caveat is that I'll need to finish it today b/c I'll be out of the office the rest of the week.

Hi Doug. Hope all is well. I'm trying to edit the Riverside proposed plan, but it says it is checked out by you. Are you actively working in it right now? If not, would you be able to try closing it? I want to try and avoid having multiple versions. Thanks so much!
